

Wedding AV Supplier Brochure

Spring 2024

ABOUT JHAV

At JHAV, we pride ourselves on stocking the latest and very best quality sound, lighting and DJ equipment.

Combine this with our many years of experience, our friendly and supportive customer service and extensive customisation options, we have a proven track record in helping to make any wedding feel truly special and unique.

Whether you're a wedding planner, couple or venue looking for a preferred supplier, our experienced team are on hand to help bring any vision to life.

WHAT DO WE OFFER?

- PA and specialist sound equipment for both indoor and outdoor use.
- Indoor and outdoor feature lighting, including LED uplighters, festoon, professional moving lights, Twinkly LED and plenty of fairy lights.
- Decorative items including barrels, furniture, fairy light canopies and a selection of mirror balls.
- Staging and DJ equipment.
- Extensive customisation options to colour match or compliment your chosen wedding theme.
- We can also stream and record the big day, using discreet microphones and remote cameras to ensure no one misses out.
- A dedicated Project Manager to help you along the way.

EXTERIOR LIGHTING

Impress your guests before they've even stepped inside the venue, with our wide range of exterior lighting options.

Architectural lighting

Extensive range of lighting options to suit your venue and colour scheme.

Moving lights

Add movement and impact to your event, suitable for indoor and outdoor use.

Creative lighting

Feeling arty? Consider rope lights and NEON Flex for creative feature lighting.

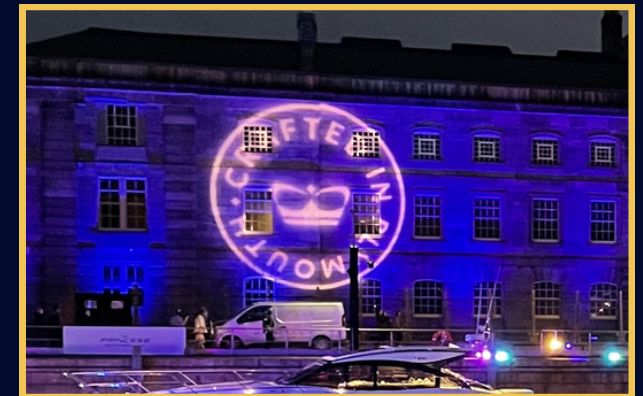

Fairy light curtain

Create your own starry night canopy with our warm white lights.

Fairy light strings

Cool white also available.

Gobo projection

Personalise your event with gobo projection.

FESTOON

Create an enchanting glow with our festoon options.
Comes in lengths of 10m, 20m and 50m. For indoor and outdoor use.

Funky festoon

Dimmable neon coloured lamps, available in various colours and combinations.

Standard 'traditional' festoon

Dimmable warm white lamps. Great for lighting the seating and dining areas.

Twinkle star festoon

Fairy light lamps, to add a touch of magic.

Vintage festoon

Dimmable warm white lamps. Various bulb sizes available.

Digital festoon

Creates dynamic lighting, such as colour changing and pulsing effects.

Festoon can either be rigged onto freestanding barrels and poles, marquees or venue structures.

Bulb drop length can be adjusted with pendant drops (20cm, 30cm 40cm and 60cm).

TWINKLY APP CONTROLLED LIGHTS

With endless designs and colours, you can match the lights to your wedding theme, your favourite colours or even to the dance floor atmosphere!

Twinkly tunnel

Walk through a tunnel customised to your choice of colours and patterns.

Twinkly curtain

Creates a stunning colour changing and dynamic backdrop to any dance floor area.

Trees and fauna

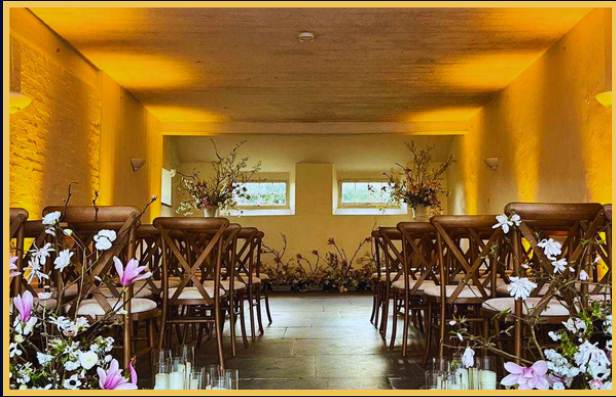

Bring the garden and trees to life with Twinkly trees and bushes.

Set patterns, colours and effects using the mobile app.

Our Technicians will show you how to use the app and iPad, which is included in the hire.

INTERIOR LIGHTING

From uplighters to theme your marquee or ceremony room, to dynamic party lighting for DJs or bands, we have all the options covered.

LED uplighters

Battery powered, flexible, set to any colour to suit your colour scheme.

GOBO lighting

Personalise your event with gobo projection.

LED tubes

Can be set to various colours. Outdoor versions also available.

Mirror balls

30cm, 50cm and 75cm sizes available. Can either be motorised or stationary.

DJ dance floor lighting

Cost effective, simple option to bring your dance floor area to life.

Band lighting package

We offer packages complete with engineers to make sure the lighting matches the beat and mood.

EXTERIOR DECORATIVE ITEMS

Whether you want chic or relaxed, our stock can help transform your outdoor space.

Barrels

Rattan sofa set

Grey and black options available.

White rattan furniture

Picnic benches

White poseur tables & chairs

Black version also available.

White DJ booth

AUDIO SYSTEMS

Our audio systems will be tailored to your specific requirements, to make sure that the speeches, DJs and band can be heard and enjoyed by all.

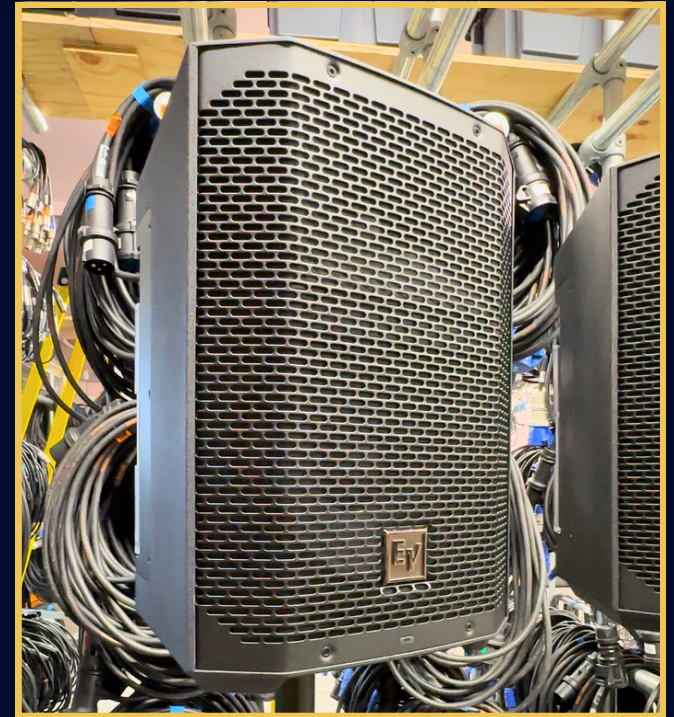

Outside PA system

- Suitable for speeches and background music.
- Mini jack audio input for mobile devices.

Inside PA system

- Compact PA system available for smaller venues.
- Suitable for speeches and background music.

Portable speaker system

- Battery operated, for those unique or special venues where power isn't an option.
- Suitable for speeches and background music.

Depending on audio system, a Technician may be required to operate.

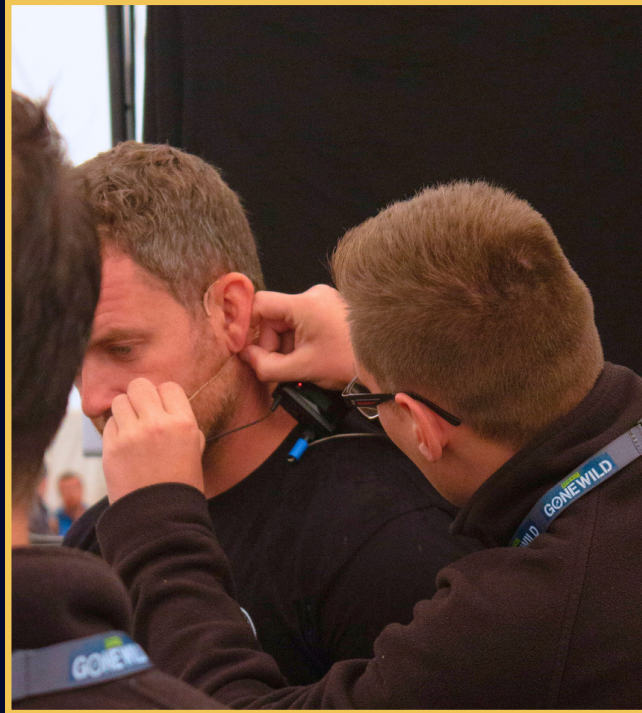

AUDIO SYSTEM OPTIONS

Whether you want a discreet microphone or one that is easily passable to guests, we stock options to keep everyone happy.

Lapel microphone

Ideal for speeches in front of large crowds where it's important that the microphone is discreet.

Headset microphone

Perfect for the more animated speech where it's important that both hands are kept free for toasting and props!
2 colours available.

Handheld microphone

Easy to pass between different guests, loud for when you need to get everyone's attention and easy to use.

Depending on audio system, a Technician may be required to operate.

STAGING & DJ EQUIPMENT

We stock a wide range of ancillary items to compliment your event, from staging for your band or DJ equipment to meet their requirements.

Black stage

Using our modular system, we can create a stage of any shape or size.

White DJ booth

Black version also available.

DJ equipment

We stock some of the latest Pioneer DJ equipment, including CDJ-3000, DJM-A9 & V10.

LIVE STREAMING & RECORDING

Do you have guests who can't travel? Want to record the ceremony?
We've got you covered with our camera and live streaming options.

Remote cameras

Our remote cameras will capture every moment of your ceremony, so your online audience don't miss a thing.

Discreet microphones

Make sure your guests near and far hear every word with our discreet radio mic options.

Technician

Our technicians will be on hand to take the stress out of your big day.

Whether it's streaming, microphones or lighting, our technicians will be on hand to assist.
