

JHAV

Wedding Brochure.

Spring 2026.

At JHAV, we're passionate about turning wedding dreams into a reality.

We stock the latest top-quality sound, lighting and DJ equipment and have years of expertise. We're here to elevate the couple's special day!

About JHAV.

**We don't just make events, we
make events.**

With JHAV you're in safe, dependable hands.

Our team regularly works across product launches, industry award ceremonies, conferences, exhibitions, and any other event formats required by today's business needs – from design and planning, to management and evaluation.

[Our Website](#)

What Do We Offer?

- Specialist audio visual equipment for both indoor and outdoor use.
- Indoor and outdoor feature lighting, including LED uplighters, festoon, professional moving lights, Twinkly LED and plenty of fairy lights.

- Decorative items including barrels, furniture, fairy light canopies and a selection of mirror balls.

- Extensive customisation options to colour match or compliment your chosen wedding theme.
- We can also stream and record the big day, using discreet microphones and remote cameras to ensure no one misses out.
- A dedicated Project Manager to help you realise your wedding plans.
- Staging and DJ equipment.

Exterior Lighting.

Transform your outdoor areas and illuminate every corner with our versatile exterior lighting solutions.

Moving Lights.

Add movement and impact to your event, suitable for indoor and outdoor use.

Fairy Light Curtains.

Create your own starry night canopy with our warm white lights.

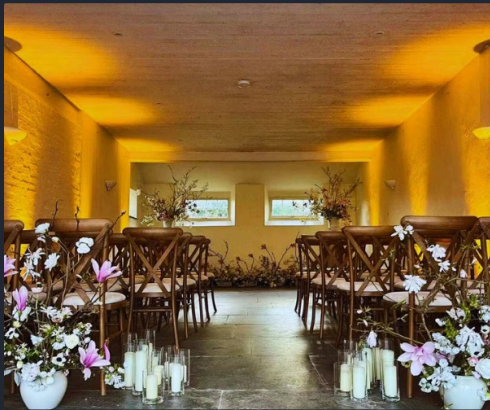

Fairy Lights Strings.

Warm or cool white strings to add some magic.

Interior Lighting Options.

From subtle architectural enhancements, to dynamic party lighting, we have all the options covered.

LED Uplighters.

Battery powered, flexible, set to any colour to compliment your wedding colour palette.

Disco Mirror Balls.

30cm, 50cm and 75cm sizes available. Motorised or stationary.

DJ and Band Enhancements.

Bring some extra visual enhancement to the wedding party.

Gobo Lights

For dance floor patterns.
Custom made options available.

Twinkly App Controlled Lighting.

With endless designs and colours, you can match the lights to your wedding theme, your favourite colours or even the dance floor atmosphere!

We can work with you to set patterns, colours and effects using the mobile app on the iPad.

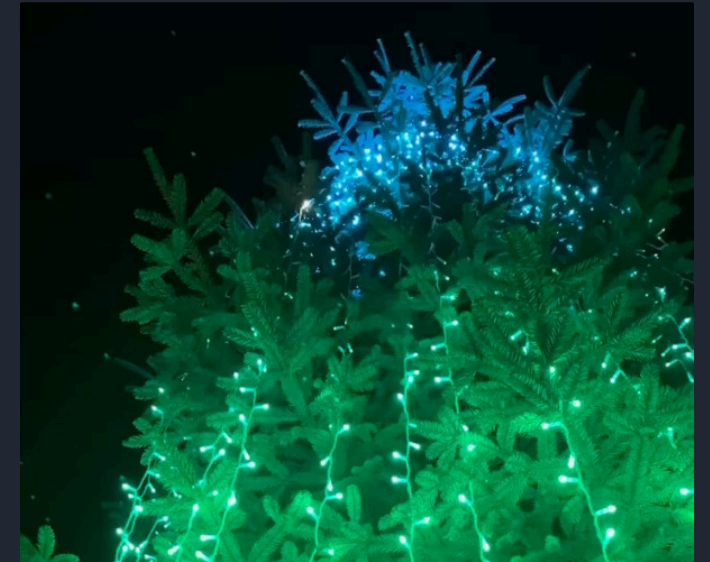

Twinkly Tunnels.

Walk through a tunnel customised to your choice of colours and patterns.

Twinkly Curtain.

Create a stunning backdrop that can change colour. A brilliant addition to any dance floor.

Trees and Fauna.

Bring the garden to life with Twinkly trees and bushes.

Festoon.

Create an enchanting glow with our festoon options. Comes in lengths of 10m, 20m and 50m. For indoor and outdoor use.

Festoon can either be rigged onto freestanding barrels and poles, marquees or structure.

Traditional and Vintage Festoon.

Crystal-clear sound and freedom of movement for presenters and performers.

Funky Festoon.

Dimmable neon coloured lamps, available in various colours and combinations.

Digital Festoon.

Create pulsing effects and pick a colour that suits your aesthetic.

Twinkle Star Festoon.

For creating an enchanting atmosphere with fair light lamps.

Audio Systems.

Perfect for speeches and background music.

Our audio systems will be tailored to your specific requirements, to make sure that the speeches, DJs and band can be heard and enjoyed by all.

Outside PA System.

Mini jack audio input for mobile devices..

Inside PA System.

Compact and perfect for smaller spaces.

Portable Speaker System.

For magical pop up moments.

Audio Systems Options.

From discreet microphones to passable hand held options, we stock options for every type of ceremony.

Headset Microphone.

Perfect for celebrants or more animated speeches where it's important both hands are kept free for toasts.

Handheld Microphone.

Easy to use and pass between guests.

Exterior Enhancements.

Our stock of outdoor furniture can add style and comfort outside the ceremony venue.

Rustic Barrells.

For added style.

Rattan Furniture.

Available in black or grey.

Poseur Tables & Chairs.

Available in black or white.

Staging and DJ Options.

We stock a wide range of ancillary items to take the party to the next level!

DJ Booths.

For the after party!

Staging.

Modular staging system for a variety of stage sizes and shapes. Carpeted options available.

DJ Equipment.

A variety of DJ equipment available.

LED Screens.

Digital Poster Board.

Perfect for wedding signage, welcomes and images.

Freestanding LED Screen.

Perfect for wedding videos or cosy movie nights options for those staying for the whole weekend.

Something Unique.

Do you have an idea for something unique? We love outside-the-box ideas. For example, we provided a high impact, mobile sound set up on a tractor and trailer for this groom's arrival. He led a full-scale baraat with 150 guests dancing along. Now *that's* how to make an entrance!

Every detail was tailored to the vision, respecting tradition while adapting for the location. Nothing is too ambitious when it comes to creating experiences that people will remember long after the music stops.

Sustainability.

Our People.

Our wedding coordinator is proudly certified by the Sustainable Wedding Alliance, reflecting our commitment to responsible, environmentally conscious wedding planning.

Our Equipment.

We take great care in stocking equipment that is sustainable and built to last. From LED lights to our rechargeable portable power sources, we take pride in kit that is kind to the planet.

Our HQ.

Our warehouse runs on over 82% renewable energy. We're always improving our environmental credentials to make sure we're as green as can be.

Thank You.

Any Questions?

Every couple is different and we're always interested in hearing unique ideas. Want to talk anything through? Pick up the phone and give Jerome a ring on 01579 345250 or email weddings@jhav.co.uk
